 is a great
 twist to a swell
 friend for we've always
 had fun kidding each
 other. Hope your
 senior year comes out
 as good as your Junior

Dear Mary
 It's been many a
 long year since we
 first met. (Remembering
 you've been a swell
 friend through all
 those years even if
 we did get into some
 battles.
 May the best of
 everything come your
 way.
 Be good now (Halt)
 Really. As you know my
 senior wishes for
 a happy and successful
 life. Love Norma

Mary Alice,
 Well here we
 are almost out
 of H.S. Golly,
 you know I'm
 really scared
 when I think of
 going to college. I
 don't know how
 I'm going to stand
 it without you
 around to talk. Best
 of luck always Love, Jan

Dear Mary Alice,
 Here's hoping you
 can go on to College.
 Remember our
 game of 2,000
 questions, the
 daffodil sale,
 and the KVAIV
 show? I think
 you've been a
 super editor and
 I'm certainly glad
 I was on the paper staff.
 Love, Barbara

Mary
 No fair making
 fun about the
 formals. I think
 I would have been
 a sensation in
 the topless one.

To a good back
 and undefeated girl.
